mLINQS OPENS NEW GOVERNMENT SERVICE OFFICES

FAIRFAX, VA – (May 11, 2004) – mLINQS™, LLC today announced that the company has moved to offices in the Fair Lakes area of Fairfax, Virginia.

The new offices, at 12500 Fair Lakes Circle, will enable the growing number of consulting and technology staff members to work on federal eTravel support services and related relocation applications from a single location. mLINQS continues to be in a hiring mode, with emphasis on experienced federal IT consultants for travel and change management, and travel management trainers to work on-site nationwide.

Further information on mLINQS services and products, visit the web site at www.mlinqs.net or call the new main number, 703-322-9700.
