### **LMI And Partner mLINQS Awarded Mission Support Services BPA By The Department of Defense**

**FAIRFAX, VA – (April 28, 2009)** – mLINQS, LLC today announced that the company’s partnership with LMI Government Consulting, McLean, Virginia, has been awarded a Blanket Purchase Agreement (BPA) by the U.S. Department of Defense Washington Headquarters Services field activity. The multi-million dollar BPA covers mission support services for the Office of the Secretary of Defense (OSD). LMI is the prime vendor. As a sub-contractor, mLINQS will provide support through the company’s servLINQ™ professional services team.

“Partnering with LMI, a premier government consultancy, is a significant accomplishment for our services team,” said mLINQS president Greg McIntyre. “It enables us to better position our servLINQ component for growth in a sector that’s become increasingly competitive by expanding our visibility in the Defense Department.”

mLINQS professional services are designed solely to support the needs of federal agencies. The servLINQ team provides expertise in five critical areas: project management, strategic planning, E-Gov initiatives, information technology, and independent verification and validation.

Information about all mLINQS™ government products and services is available by visiting [www.mlinqs.net](http://www.mlinqs.net) or by calling 703-425-1122.
