

**Optimizing
Defense
Relocation**

moveLINQ is the first comprehensive Relocation Management Reporting System developed expressly for DoD. mLINQS has designed it to address every complex Permanent Duty Travel (PDT) challenge.

**Total Relocation
Management**

moveLINQ adheres to Section 508 standards and guidance outlined by the DoD Net-Centric Data Strategy. The system automates:

- JFTR Chapter 5
- JTR Chapter 5
- JFMIP SR-99-9, 21-36

When it comes to cost-effective relocation management, moveLINQ puts PDT in motion.

- House Hunting Trip (For civilian employees)
- WTA and RITA (For civilian employees)
- Temporary Lodging/Quarters
- Dislocation/Miscellaneous Expense Allowance
- Standard Data Output for interface with external systems
- Real Estate (For civilian employees)
- En Route Travel
- Household Goods Shipment and Storage
- Comprehensive Relocation Reports

moveLINQ is built on Microsoft .Net technology

Allocation	Authorization	Budget	Difference	De-obligated?
0001	6,300,273	18,613,118	12,312,845	Yes
0002	22,302,000	0	22,302,000	No
0003	1,663,123	11,874,498	10,211,375	Yes
0004	1,000,000	1,000,000	0	Yes
0005	12,713,000	3,200,000	9,513,000	No
0006	37,000,000	0	37,000,000	No
0007	24,182,000	12,980,122	11,201,878	No
TOTAL	129,160,496	37,767,738	91,392,758	

moveLINQ addresses every aspect of relocation

moveLINQ is the system DoD can depend upon to seamlessly manage PDT for both uniformed and civilian personnel.

Technology

moveLINQ is built on proven Microsoft[®] .NET technology. The benefits range from trouble-free installation and unmatched scalability to fast implementation and user assimilation in a fully scalable, secure Internet or Intranet environment. A hosted option is also available.

Support

moveLINQ is a turnkey solution. Installation, training and consultation are backed by the mLINQS team to ensure successful implementation.

Mission Ready moveLINQ optimizes Relocation Management Reporting. mLINQS is a Veteran Owned Small Business linking objectives with results.
